Dear visitor:

On behalf of the Los Cabos Tourism Board, it gives us great pleasure to welcome you to one of Mexico's premier travel destinations, Los Cabos. We are thrilled that you've chosen to spend time with us and hope that you enjoy your stay.

During your visit, it will become apparent that aside from spectacular views, pristine beaches and awe-inspiring sunsets, Los Cabos has an extensive variety of activities and experiences to satisfy all your vacation cravings. From relaxing in luxurious resorts and world-class spas, dining in award-winning restaurants and discovering the wonders of the Sea of Cortés, to playing a round of golf in one of our designer courses or strolling through the booming San José del Cabo's Gallery District— two blocks filled with eclectic local collections and fine art galleries, Los Cabos is much more than just a destination, it is an all-encompassing experience.

Art enthusiasts from all over the world visit the San José del Cabo Gallery District every year, a place as unique and vibrant as the works exhibited. The flagship event in the local art scene is the Art Walk, held every Thursday from October to May, in which art fans stroll through the cobblestone streets and admire their favorite pieces while enjoying snacks and refreshments. One of the most renowned galleries is Galeria Ida Victoria, dubbed "the finest gallery south of Los Angeles." Another popular spot is the Frank Arnold gallery. The Corridor, between San José del Cabo and Cabo San Lucas, is another local gem for art lovers lined with posh beach resorts, many of which hold exhibits often.

As a destination, we are committed to providing first-class personalized service and strive to make you feel at home...with some perks, of course. We encourage you to leave your worries behind, dig your toes in the sand, grab your lover by the hand and set out to explore Los Cabos and its captivating art scene.

We wish you a wonderful stay and hope to see you again soon.

Here's to creating everlasting memories and welcome to Los Cabos!

Ruben Reach Lugo

Los Cabos Tourism Board, Managing Director
